# Company profile

GAOMI YINUO LABOR PRODUCTS CO., LTD, located in Gaomi, about 20km to the Qingdao international airport, is a professional manufacturer of all kinds of PU and rubber outsole safety shoes and boots. Our factory covers an area of more than 10000 square meters, has about 60 workers. With more than 10 years export experience, we export hundreds of containers each year to the clients around the world, and we have already got CE and SGS certificates.

Our factory has both of PU injection and rubber cementing producing lines with production capacity of about 60,000 pairs/month. Professional production experience, skilled workers, strict quality control and formalized enterprise management guarantee our safety shoes stable quality.

Our R&D team can design safety shoes style, logo, packing inner box and carton, make samples as per customer's samples or picture with high-efficiency.

Being honest, high efficient and keeping improving are always our basic business rules, welcome to inquire and seek for common development.
